

TRAUMA AND THE OPIOID CRISIS

Coming Together to Advance Prevention, Care, and Recovery

Located at: PNWU Health Sciences
in Yakima, Washington

Featuring: Five Keynote Speakers
And more than 25 sessions

June 20-21, 2019

Keynote: Vincent Felitti, MD

The Origins of Addiction: Evidence from the Adverse Childhood Experiences Study. Felitti, co-Principal Investigator of the 17,000 patient Adverse Childhood Experiences (ACE) Study, exploring the profound relationship of ten categories of adverse life experiences in childhood to adult health, well-being, disease, and death decades later.

Keynote: Steven P. Stanos, DO

State of the Crisis - Update on Federal and Washington State Regulations, Legislative & Guideline Recommendations for Managing Patients with Chronic Pain. Stanos is the Medical Director of Swedish Pain Services and Medical Director of Occupational Medicine Services at Swedish Health System. He has served on numerous FDA panels related to chronic pain management and opioid therapies and presently serves as a panel member on the Public Health Service Delivery and Reimbursement Working Group for the National Pain Strategy (NPS) Task Force.

Keynote: Edward Bilsky, PhD

OUD at the Intersection of Pain, Addiction and Community. Bilsky, Provost and Chief Academic Officer, and Professor of Biomedical Sciences at PNWU, was awarded the 2011 AOA Research Mentor of the Year Award, was a finalist for the 2014 Council on Undergraduate Research Fellows Award, a recipient of the Faculty for Undergraduate Neuroscience Lifetime Achievement Award and the 2014 Patient Advocacy Award from the American Academy of Pain Medicine.

Keynote: Charissa Fotinos, MD

Implementation of Opioid Prevention and Treatment Initiatives. Fotinos is Deputy Chief Medical Officer for the Washington State Healthcare Authority.
